

## DECLARATION OF PRODUCT MODEL

Date:2025/09/30

Dear Sir or Madam:

We, INVT Solar Technology(Shenzhen) Co., Ltd, hereby declare that the below V-TAC models of On-grid solar inverters and hybrid inverters are OEM products manufactured originally in INVT factory and developed base on the INVT Solar's standard BD series & XG series:

Item	INVT Model Number	V-TAC Model number	Remarks
1	BD5KTL-RL1	VT-6607103	5 years warranty
2	XG100KTR	VT-6607100	10 years warranty

Except the logo and carton box design difference, they are sharing the same dimension design, hardware and firmware with the INVT models.

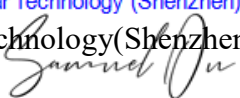

Please contact us if there would be need for any additional clarification or information

Sincerely,

*For and on behalf of*
